

## INTERNSHIP AT DENMARK IN NEW YORK

### Internship with focus on SDG Global Public Affairs and Sustainable Urban Solutions at the Consulate General of Denmark in New York.

Denmark In New York's SDG Global Public Affairs and Sustainable Urban Solutions intern will work with some of the largest Danish companies and institutional investors to explore market opportunities and global positioning concerning all of the Sustainable Development Goals (SDGs) and United Nations procurement. In addition, the intern will support Danish companies working with the Sustainable Urban Solutions agenda.

#### Responsibilities

The SDG Global Public Affairs and Sustainable Urban Solutions intern will be part of a dynamic results-oriented team consisting of six Commercial Advisers and three Commercial Interns and will be tasked with a number of efforts, including:

- Scoping and executing high-level side events and workshops at United Nations Headquarters;
- Conducting business development and growth market strategies;
- Assisting in lead generation and outreach to United Nations agencies and Danish companies;
- Assisting with the mapping of key stakeholders, the creation of demanding meeting programs and providing logistical support to high-level participants;
- Providing market and competitor analysis for Danish companies to research their potential for the given product category;
- Researching potential new partnerships and joint venture development among North American cities and Danish companies;
- Coordinating workshops and other events concerning collaboration between North American cities and Danish companies;
- Coordinating Export Promotion and trips to Denmark for American interest groups.

#### Competencies

For this position, familiarity with the United Nations and the Sustainable Development Goals (SDGs) is a plus.

Additional competencies include:

- A commercial and/or economic background and a thorough understanding of the Danish business environment;
- An understanding and interest for international political relations and the role of economic diplomacy;
- Strong analytical skills;
- An understanding of Danish core competencies and framework conditions;
- Good interpersonal skills, personal initiative, and a propensity for team collaboration;
- Fluency in English and Danish, both written and spoken.

#### Internship Details

The position is of six months' duration and starts on **1 February** for the spring semester and **1 August** for the autumn semester. The Consulate General's normal working week is 37 hours. Overtime work is expected to occur during specific periods.

The trainee is responsible for all costs of their stay, including travel, accommodation, necessary insurance etc. Previously, interns have succeeded in seeking grants for partial coverage of expenses. The Ministry of Foreign Affairs, however, offers a trainee grant.

The working language for the position is English and all applications should be submitted in English.

The application and CV should be sent via email to [nycmis@um.dk](mailto:nycmis@um.dk) in Word or PDF format. Please write the following text in the e-mail subject line: "Praktikansøgning. Forår/Efterår [Year]. [The section] (SDG Global Affairs and Sustainable Urban Solutions). [Your name]."

The application deadline is: **1 March** for the autumn semester and **1 September** for the spring semester.
